AXIOM CONSULTING PRIVATE LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **AXIOM CONSULTING PRIVATE LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") comprising of the Consolidated Balance Sheet as at 31st March, 2017, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies or those charged with governance included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Holding Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements. We have conducted an audit of the holding company's standalone financials. For the purpose of consolidated financial statement, for Axiom Americas Inc (subsidiary company) and Axiom Product Development LLC (step-down subsidiary) the audit was conducted by CPAs of United States of America as at year ended 31st March, 2017.

We believe that the audit evidence obtained by us related to standalone and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) and (b) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Auditor's Responsibility Statements above, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at 31st March, 2017, and their consolidated loss and their consolidated cash flows for the year ended on that date.

Other Matters

(a) We have not audited the financial statements of Axiom Product Development Pte Ltd. (subsidiary company) whose financial statements reflect total assets of Rs. 94,38,294 (SGD 2,03,333) as at 31st March, 2017, total revenues of Rs. 1,09,51,981 (SGD 2,26,023) and net cash flows amounting to Rs (13,32,477/-) for the year ended on that date, as considered in the consolidated financial statements. These financial statements / financial information have been audited by Chartered Accountants of Singapore whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiary and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on the reports of the other auditors.

(b) We have not audited the financial statements of Axiom Americas Inc (subsidiary company) and Axiom Product Development LLC (step-down subsidiary) whose financial statements reflect total assets of Rs. 7,85,75,177 (USD 11,70,309) as at 31st March, 2017, total revenues of Rs. 23,48,56,399 (USD 35,00,617) and net cash flows amounting to Rs (2,07,99,639/-) for the year ended on that date, as considered in the consolidated financial statements. These financial statements / financial information have been audited by CPAs of United States of America whose reports have been furnished to us by the Management and our opinion on

the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiary and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on the reports of the other auditors.

(c) As per the written representation received from the Management and those charged with governance, the subsidiaries shall comply with the applicable law and regulations relating to maintenance of books of accounts, financials records of the company, management of the affairs of the company and compliance with the regulations of the state.

(d) We have not received the bank confirmations for the subsidiary Companies in United States of America, however we have obtained account statements.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, the said Order is not applicable to the auditor's report on consolidated financial statements.
2. As required by Section 143 (3) of the Act, we report, to the extent applicable, that:
 - (a) We have sought and, except for the possible effect of the matter described in sub-paragraph (a) & (b) of Basis for Opinion above, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.

- (c) Except for the matter described in sub-paragraph (a) & (b) of Opinion paragraph above, the reports on the accounts of its subsidiaries, audited under Section 143 (8) of the Act by the other auditors, as applicable, have been properly dealt with in preparing this report.
- (d) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (e) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (f) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2017 taken on record by the Board of Directors of the Holding Company, none of the directors of the Group's companies, is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
- (g) With regards to the matter to be reported under sub clause (i) of Sub section (3) of Sec 143, reporting on the Internal Financial Controls of the company, and the guidance notes issued by the Institute of Chartered Accountants of India, since the components included in the Consolidated Financial Statements are not regulated by the Companies Act, 2013, hence there is no matter to be reported. The reporting on the adequacy of the internal financial controls over financial reporting of the Holding Company is not applicable as the Company fulfils the criteria stated in the MCA exemption notification dated 13 June 2017. However, with respect to Revenue, the Company needs to strengthen the process of maintaining time sheets for capturing of time on the project execution and revenue documentation.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. There are no pending litigations on the consolidated financial position of the Group. Hence the said clause is not applicable.

ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, and its subsidiary companies.

Significant Accounting Policies

Company overview

Axiom Consulting Private Limited ('the Company') was incorporated as a private limited company under the Indian Companies Act, 1956 on 19th June 2001 and is domiciled in India.

The Company provides engineering design, testing, prototype development and related services and sale/ licensing of internally developed intangible products and their related services. It has branches in USA and Belgium and wholly owned subsidiaries in USA and Singapore.

Note 1 : Significant accounting policies

1 Basis of preparation of financial statements

The consolidated financial statements of the Company have been prepared in accordance with the generally accepted accounting principles in India. The Company has prepared these financial statements to comply in all material respects with the Accounting Standards notified under Section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014, on an accrual basis and under the historical cost convention. The Accounting policies have been applied consistently except to the extent of change required under a new or revised Accounting Standard. The financial statements are presented in Indian Rupees and rounded off to nearest rupee. The Management evaluates all recently issued or revised Accounting Standards on an on-going basis.

The Company is a Small and Medium sized company as defined in the General Instructions in respect of the Accounting Standards notified under Section 133 of the Companies Act 2013. Accordingly, the Company has complied with the Accounting Standards as applicable to a Small and Medium Sized Company.

The consolidated financial statements are prepared in accordance with the principles and procedures required for the preparation and presentation of consolidated financial statements as laid down under the Accounting Standard (AS) 21, "Consolidated Financial Statements". The consolidated financial statements comprise the financial statements of the company and its subsidiaries, combined on a line-by-line basis by adding together book values of like items of assets, liabilities, income and expenses after eliminating intra-group balances and transactions and resulting unrealised gain/ loss. The consolidated financial statements are prepared by applying uniform accounting policies in use at the Group.

2 Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of the financial statements and the results of operations during the reporting year. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from those estimates. Changes in estimates are reflected in the financial statements of the period in which the changes are made with material amounts being disclosed in the financial statements and/ or the notes to the financial statements.

3 Revenue Recognition

Revenue is derived from providing engineering design, testing, prototype development and related services and sale/ licensing of internally developed intangible products and related services related to their implementation and customisation. Revenue from services is recognised based on time and material and/ or fixed price contractual arrangements with customers and accrued when there is no uncertainty as to measurement of revenue or its collectability.

- Revenue from time and material contracts is recognised as the related services are performed.
- Revenue from fixed price contracts is recognised as the related services are performed by applying the percentage of completion method.
- Revenue from the sale of prototype is recognised when the property in the goods or all significant risks and rewards of ownership are transferred to the customer.
- Revenue from sale/ licensing of internally developed intangibles is recognised when license is issued to customer in case of sale or when services incidental to and necessary for use of the intangibles are performed in case of a sale and services agreement.
- Billing in excess of revenue recognized is classified as Deferred Revenue and revenue recognized in excess of billing is classified as Unbilled Revenue.

4 Tangible assets and depreciation

Tangible assets are stated at cost, less accumulated depreciation and impairment, if any. Direct costs relating to the acquisition and installation of tangible assets are capitalised. Cost of tangible assets not ready for their intended use as at the reporting date are included in "Capital works in progress".

Tangible leased assets acquired under finance lease are capitalised as owned assets at their fair value on date of acquisition. Fair value is the lower of minimum of future lease rentals or present value of lease rentals.

Depreciation is computed using written down value method, based on the prescribed useful lives for tangible assets specified under Schedule II of the Companies Act, 2013. Depreciation on assets purchased during the year is charged proportionately from the date of putting to use.

Leased assets capitalised as owned assets are depreciated over their primary period of lease.

5 Intangible assets and amortisation

Intangible assets comprise of acquired software and internally developed engineering solutions/ systems and software. Acquired intangibles are measured on initial recognition at cost. Subsequently, intangible assets are recognised at cost less accumulated amortization and any impairment. Internally developed intangible assets are capitalised at the development stage and all research costs are charged to Statement of Profit and Loss in the year in which the expenditure is incurred.

Intangible assets are amortised on straight line basis over the estimated useful economic life of the asset. The amortisation period and the amortisation method are reviewed at the end of each financial year. If the estimated useful life of the asset is significantly different from previous estimates, the amortisation period is changed accordingly.

6 Impairment

The carrying amounts of tangible assets and intangible assets are reviewed at each reporting date to determine if there is any indication of impairment of assets and the asset's recoverable amount is estimated. An impairment loss is recognised if the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use.

For the purpose of impairment testing, assets are grouped together into the smallest group of assets (cash generating unit or CGU) that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of an asset or CGU is the greater of its value in use and its net selling price. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU. Impairment losses are recognised in statement of profit and loss. Impairment loss recognised in respect of a CGU is reduced by the carrying amounts of the other assets in the CGU on a pro-rata basis.

If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists or has decreased, the assets or CGU's recoverable amount is estimated and the impairment loss is reversed to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognised. Such a reversal is recognised in the Statement of Profit and Loss.

7 Investments

Investments that are readily realisable and intended to be held for not more than a year from the date of acquisition are classified as current investments. All other investments are classified as long-term investments. However, that part of long-term investment which is expected to be realised within twelve months of the reporting date is presented under 'current assets' as "current portion of long term investments" in accordance with the current/ non-current classification scheme of Schedule III.

Long-term investments (including current portion thereof) are carried at cost less any other than temporary diminution in value, determined separately for each individual investment.

Current investments are carried at the lower of cost or fair value. The comparison of cost and fair value is done separately in respect of each category of investment i.e., equity shares, preference shares, convertible debentures etc.

Any reduction in the carrying amount and any reversal of such reduction is charged or credited to the Statement of Profit and Loss.

8 Employee benefits

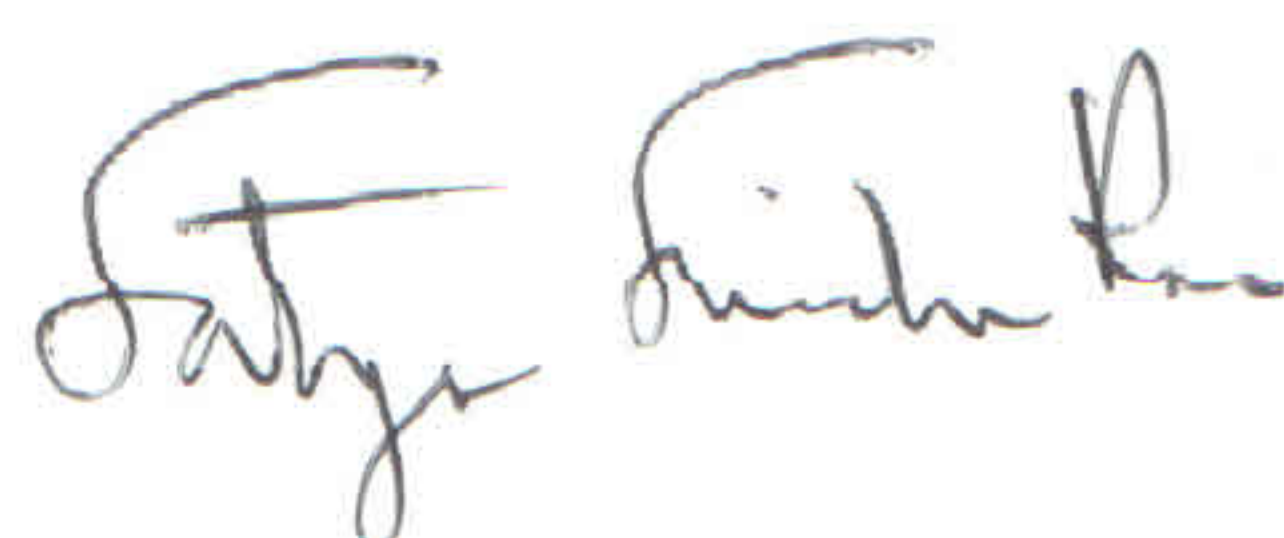

a. Defined Contribution Plans

These are plans in which the Company pays pre-defined percentage of employee's salary to separate funds and does not have any legal or informal obligation to pay additional sums. These comprise of contributions to the employees' provident fund maintained by the government. The Company's payment to the defined contribution plans are recognised as expenses during the period in which the employees perform services that the payment covers.

b. Defined Benefit Plans

Gratuity

The Company provides for gratuity, a defined benefit plan (Gratuity Plan). The liability with regard to gratuity plan is accrued based on actuarial valuation, based on Projected Unit Credit Method.

Significant Accounting Policies

Compensated Absences

The employees of the Company are entitled to compensated absences which are both accumulating and non-accumulating. The estimated expenses of accumulated compensated absences are determined and accrued using actuarial valuation in respect of the unused entitlement accumulated as at reporting date. Expenses relating to non-accumulated compensated absences are recognized as expenditure in the period in which the absence occurs.

9 Sweat Equity Shares

The Company measures the compensation cost relating to sweat equity shares based on fair value determined by a valuer which is expensed in the period in which sweat equity shares are issued.

10 Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, development, construction or production of a qualifying asset are capitalised as part of cost of such asset till such time as the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to be ready for its intended use or sale. All other borrowing costs are recognised as expenses in the period in which they are incurred.

11 Provisions and contingencies

A provision is recognised when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on management estimates required to settle the obligation at the reporting date. These are reviewed at each reporting date and adjusted to reflect the current management estimates.

12 Foreign currency transactions

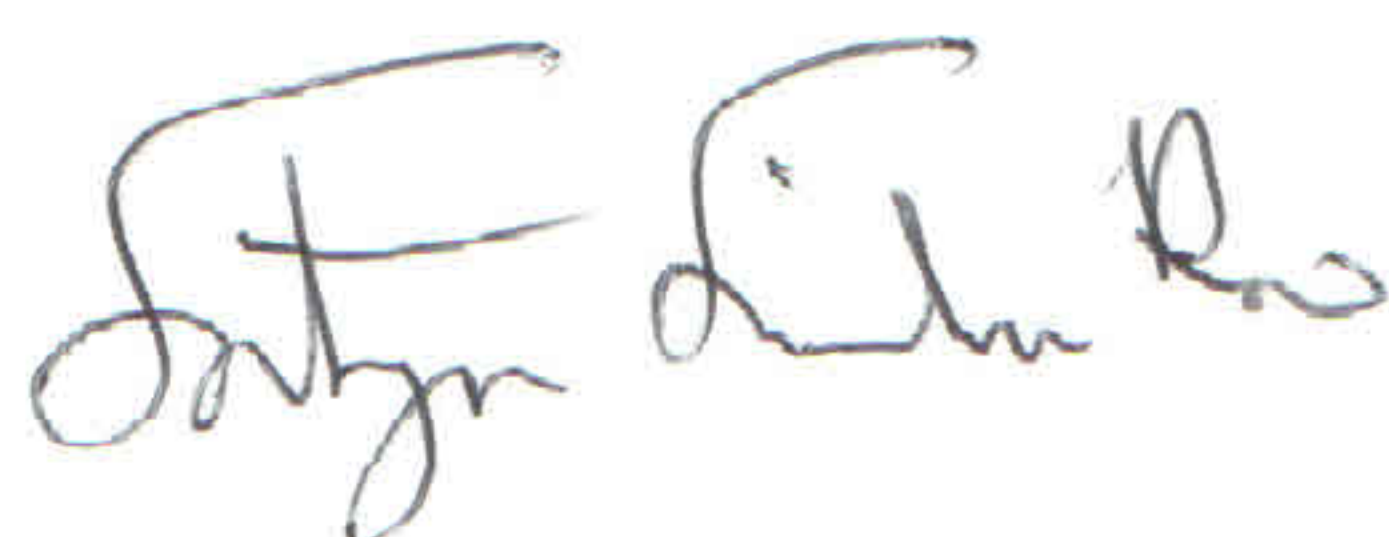

Foreign currency transactions during the year are recorded at the exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary items are translated into rupees at the closing rates of exchange prevailing as at the reporting date. Non-monetary items, which are carried in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Exchange differences arising on the settlement of monetary items at rates different from those at which they are initially recorded, are recognized as income or as expenses in the year in which they arise.

The Company classifies all its foreign entities as either 'Integral foreign operations' or 'Non-integral foreign operations'. The financial statements of integral foreign operations are translated as if the transactions of such foreign operations have been those of the Company itself.

The assets and liabilities of non-integral foreign operations are translated into the reporting currency at the exchange rate prevailing at the reporting date and their Statement of Profit and Loss are translated at exchange rates prevailing at the dates of transaction or weighted average weekly rates, where such rates approximate the exchange rate at the date of transaction. The exchange difference arising on translation is accumulated in the foreign currency translation reserve. On disposal of a non-integral foreign operation, the accumulated foreign currency translation reserve relating to that foreign operation is recognised in the statement of profit and loss.

When there is a change in the classification of a foreign operation, the translation procedure applicable to the revised classification are applied prospectively.

The translation of financial statements of the foreign subsidiaries from the local currency to the reporting currency of the company is performed for balance sheet accounts using the exchange rate in effect at the balance sheet date and for revenue, expense and cash-flow items using a monthly average exchange rate for the respective periods and the resulting difference is presented as foreign currency translation reserve included in "reserves and surplus". When a subsidiary is disposed off, in part or in full, the relevant amount is transferred to profit or loss.

13 Income Tax

Tax expense comprises of current and deferred tax. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act. Deferred income taxes are recognised for the future tax effects attributable to timing differences between the determination of income and expenses for financial statement reporting purposes and their recognition for tax purposes. The effect on deferred tax assets and liabilities of a change in tax rates is recognised using the tax rates and tax laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets are recognised and carried forward only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Unrecognised deferred tax assets of earlier years are re-assessed and recognised to the extent that it has become reasonably certain that future taxable income will be available against which deferred tax assets can be realised.

Minimum Alternative Tax ('MAT') under the provisions of the Indian Income-Tax Act, 1961 is recognised as part of current tax in the Statement of Profit and Loss. The credit available as per provisions of the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the period for which the MAT credit can be carried forward for or set-off against the normal tax liability. MAT credit is recognised as an asset and is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

14 Earnings per share

The basic earnings per share is computed by dividing the net profit after tax attributable to equity shareholders for the reporting period by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit after tax attributable to equity share holders for the reporting period and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.
